TRUSTEES' REPORT
FOR THE YEAR ENDED 31ST AUGUST 2014

The Trustees present their report together with the financial statements and auditors' report of the charitable company for the year 1 September 2013 to 31 August 2014. The report has been prepared in accordance with the Charities Act 2011. The annual report serves the purposes of both a trustees' report and a directors' report under company law.

During the year the Trust converted from a single academy trust to a multi-academy trust and entered in to a new funding agreement with the secretary of state for education dated 30 April 2014. The Trust has also amended its Articles of Association during the year to accommodate this change to multi-academy trust status.

The Trust is a mixed multi-academy trust. It operates a voluntary controlled (Church of England) mixed comprehensive school, Lutterworth College, for students aged 14+ serving a catchment area in South Leicestershire. Lutterworth College has a pupil capacity of 2,047 and had a roll of 1,829 in the October 2014 school census. The Trust also operates a studio school, Sir Frank Whittle Studio School, for students aged 14+, which first opened to students on 1 September 2014 and has no designated religious character.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Constitution

The Lutterworth Academies Trust is a company, limited by guarantee and an exempt charity. The Charitable Company's memorandum and articles of association are the primary governing documents of the Trust. The trustees of The Lutterworth Academies Trust are also the directors of the charitable company for the purposes of company law. Details of the Trustees who served during the year are included in the Reference and Administrative Details on page 1.

Members' liability

Each member of the Charitable Company undertakes to contribute to the assets of the Charitable Company in the event of it being wound up while they are member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10 for the debts and liabilities contracted before they ceased to be a member.

Trustees' indemnities

In accordance with normal commercial practice the Academy has purchased professional indemnity insurance to protect Trustees from claims arising from negligent acts, errors or omissions occurring whilst on Academy business.

Principal activities

The Trust's object and principal activity, as set out in its articles of association and funding agreement is to advance, for the public benefit, education in the United Kingdom, in particular but without prejudice to the generality of the forgoing by establishing, maintaining, carrying on, managing and developing Academies which shall offer a broad and balanced curriculum and which shall include:

- Academies other than those designated Church of England, whether with or without a designated religious character; and
- Church of England academies designated as such which shall be conducted in accordance with the principles, practices and tenets of the Church of England both generally and in particular in relation to arranging for religious education and daily acts of worship, and in having regard to any advice and following any directives issued by the Diocesan Board of education,

but in relation to each of the Academies to recognize and support their individual ethos, whether or not designated Church of England.

This is performed through the operations of Lutterworth College and the Sir Frank Whittle Studio School.

Method of recruitment and appointment or election of trustees

The articles of association require no fewer than three nor greater than twelve trustees. On conversion from a single academy trust to a multi-academy trust the existing trustees either remained in post or resigned. Subsequent trustees of the multi-academy trust are to be appointed as follows:

- Up to eight trustees can be appointed by the members and the Diocesan Board of Education:
 - Members shall appoint up to six trustees
 - The Diocesan Board of Education shall appoint no fewer than two trustees provided that the number of trustees appointed by the Diocese does not exceed 25% of the total number of trustees.
- One staff trustee who shall be appointed following a secret ballot of all staff employed by the Trust (excluding the Executive Principal and the two heads of school)
- The Chief Executive Officer (being the Executive Principal)
- Two or three parent trustees who shall be elected or appointed by the parents of registered pupils at the Academies (in the event the directors have not appointed Local Governing Bodies at each of the schools within the Trust) and must be a parent at the time of being elected.

The term of office for any trustee, shall be four years except the Executive Principal who remains as trustee whilst in post.

FOR THE YEAR ENDED 31ST AUGUST 2014 (continued)

STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)

Policies and procedures adopted for the induction and training of trustees

The training and induction provided for new trustees will depend on their existing experience. Any new trustees are supplied with an induction pack. Where necessary the induction process will provide training on charity, educational, legal and financial matters. All new trustees will be given a tour of the Academies and the chance to meet with staff and students. All trustees are given access to the intranet of both Academies where they can access copies of policies, procedures, minutes, accounts, budgets, plans and other documents that they will need to undertake their role as trustees. There is also the opportunity for mentoring by a more experienced trustee.

Organisational structure

The board of trustees retains overall responsibility for the management of the affairs of the trust.

Prior to becoming a multi-academy trust the board of trustees met approximately six times per annum to provide the strategic leadership of the trust, establishing and monitoring the improvement plan and setting the first budget in the year. The Trust had three standing committees with terms of reference and delegated powers. The Leadership Committee co-ordinated the work-plan for the board of trustees and reviewed operational aspects such as trustee training, induction and the code of conduct. Two other committees had delegated responsibilities relating to Teaching and Learning and Business Management including the monitoring and adjustment of budgets.

Following the change to multi-academy trust status the board of trustees now meets monthly during school term time. It continues to provide the strategic leadership of the trust. There are no longer Leadership, Teaching and Learning or Business Management committees. Financial, operational and staffing issues are reported directly to the board of trustees. A local governing body has been established for each of the two Academies, which focuses on teaching and learning within each school. The chair of each local governing body is a member of the board of trustees. The trustees have also established a separate Audit Committee which now reports directly to the board of trustees. The terms of reference of the audit committee have been updated during the year to accommodate the change to multi-academy trust status and the opening of the new studio school.

There is a scheme of financial delegation to the Executive Principal who is the Accounting Officer with the Finance and Operations Director performing the role of Chief Finance Officer.

The Senior Leaders are the Executive Principal the two Heads of School, the two Vice Principals, and, for Lutterworth College, four Assistant Principals. These managers control the two Academies at an executive level implementing the policies laid down by the trustees and reporting back to them. As a group, the Senior Leaders are responsible for the authorisation of spending within agreed budgets and the appointment of staff and are supported by the Human Resources Director and the Finance and Operations Director, both of whom works across the two Academies.

The Extended leadership team includes the Leadership team and the Heads of Faculties. These leaders are responsible for the day to day operation of the faculties within each Academy.

Connected organisations including Related Party Relationships

LASA

Lutterworth College is a member of LASA (Lutterworth Area Schools Association); a group of schools from South Leicestershire comprising one 14 to 19 college, one 11 to 14 high school and eleven primary schools based in and around Lutterworth. LASA aims to create an inclusive and productive partnership between Member Schools where all schools who are part of the association benefit from effective support to help pupils improve their learning outcomes and reach their full potential. Each school and academy within LASA contributes an amount based on pupil numbers each year to fund LASA, and Lutterworth College manages all the income and expenditure on behalf of LASA. Due to the level of surplus funds being carried forward from the previous year no contributions were made by the Trust to LASA during the year (2013 £5,220).

Lutterworth Upper School Endowment

The Lutterworth Upper School Endowment is a capital endowment fund held in a separate charity managed by Leicestershire County Council. The capital element of the endowment is held in the Education Trust Fund Pooling Scheme with funds from other charities relating to different schools and academies across the county, and then invested as part of this larger pooled sum to achieve maximum return on the capital. Income is credited to the individual charities in the pooling scheme based on the value of units each charity holds. Income of £nil was received by the Lutterworth Upper School Endowment in the year to 31 March 2014 (2013 £1,140).

TRUSTEES' REPORT
FOR THE YEAR ENDED 31ST AUGUST 2014 (continued)

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Trust's object and principal activity, as set out in its articles of association and funding agreement is to advance, for the public benefit, education in the United Kingdom, in particular but without prejudice to the generality of the forgoing by establishing, maintaining, carrying on, managing and developing Academies which shall offer a broad and balanced curriculum and which shall include:

- Academies other than those designated Church of England, whether with or without a designated religious character; and
- Church of England academies designated as such which shall be conducted in accordance with the principles, practices and tenets of the Church of England both generally and in particular in relation to arranging for religious education and daily acts of worship, and in having regard to any advice and following any directives issued by the Diocesan Board of education,

but in relation to each of the Academies to recognize and support their individual ethos, whether or not designated Church of England.

This is performed through the operations of Lutterworth College and the Sir Frank Whittle Studio School.

Lutterworth College is a voluntary controlled (Church of England) mixed comprehensive school for students aged 14+. Formerly known as Lutterworth Grammar School, the Academy has a long tradition of providing a quality education with high expectations for all students both in and out of the classroom. Results are consistently above the national average; students benefit from an outstanding curriculum which offers extensive choice and meets their individual needs. The Academy promotes high quality teaching and learning. Staff are proud of the Academy which attracts talented, committed, and conscientious teachers who are "confident in their specialist subjects and provide interesting learning activities" (Ofsted) assisted by experienced support staff.

Sir Frank Whittle Studio School opened to students on 1 September 2014. It is a new school for 14-19 year-olds specializing in business and engineering and providing students with a distinctive academic and vocational education. Features of the school include a personal coach for every student and high quality work experience with prestigious business partners.

Both Academies are inclusive, attaching great importance to understanding each student's individual needs and helping all students to make the most of their abilities. Both Academies strive for students to achieve well in exams but also for them to become well rounded people through leadership opportunities and participating in activities outside the classroom, and outside school.

Objectives, strategies and activities

The main objectives of the Trust during the period ended 31 August 2014 are summarised below:

- to ensure that every child enjoys the same high quality education in terms of resourcing, tuition and care;
- to raise the standard of educational achievement of all pupils;
- to improve the effectiveness of the Academies by keeping the curriculum and organisational structure under continual review;
- to provide value for money for the funds expended;
- to comply with all appropriate statutory and curriculum requirements;
- to maintain close links with industry and commerce; and
- to conduct the Trust's business in accordance with the highest standards of integrity, probity and openness.

The Trust's main strategy for carrying out its objects is to provide education for pupils of different abilities, in a learning environment utilising the best possible teaching facilities and staff. To this end the activities provided include:

- offering the right mix of courses and learning opportunities for all students to attain appropriate academic qualifications;
- training opportunities for all staff, and especially teaching staff so that they can continue to teach well;
- additional expert support for students with learning difficulties and disabilities to enable them to achieve well;
- arranging work experience placements with industrial and commercial partners;
- a programme of extra-curricular opportunities for all students including sporting and after school leisure activities and clubs;
- guidance and advice to help students obtain employment or move on to higher education or other training; and
- extensive pastoral support and mentoring programmes for all students.

FOR THE YEAR ENDED 31ST AUGUST 2014 (continued)

OBJECTIVES AND ACTIVITIES (continued)

Public benefit reporting

The trustees have regard to the Charity Commissions guidance on public benefit Section 4 of the Charities Act 2011. The trustees ensure that the Academies' activities, as described above, are undertaken in line with the charitable objects and aims. The Academies follow the school admissions criteria and policies of Leicestershire County Council to ensure that the basis for admissions is transparent and as fair as possible to all potential pupils applying to the Academies, and is comparable to other local state-funded Schools and Academies.

Employee engagement and consultation

There are regular staff announcements on the Academies' staff intranet sites to communicate a wide range of information to all employees on the Academies' activities. The trustees and Senior Leadership Teams value greatly any constructive feedback from all teaching and support staff, and employees have been encouraged to respond to the formal consultations managed by the Academies which have taken place during the year.

Equal opportunities policy

The trustees recognise that equal opportunities should be an integral part of good practice within the workplace. The Trust aims to establish equal opportunity in all areas of its activities including creating a working environment in which the contribution and needs of all people are fully valued.

Disabled persons

The policy of the Trust is to support recruitment and retention of students and employees with disabilities. The Trust does this by adapting the physical environment where practical, by making support resources available and through training and career development.

STRATEGIC REPORT

ACHIEVEMENTS AND PERFORMANCE

The Trust challenges all students to make the best of their considerable talents and abilities. The Academies strive to provide an excellent curriculum, good teaching by committed staff and a culture of high aspirations to ensure students of all abilities achieve well and enjoy their learning.

OTHER SUCCESSES

In the year ended 31 August 2014 the Trust saw its students and staff achieve a number of other successes including:

- The Trust was successful in securing grant funding of £52,787 from The EDGE Foundation to support the creation of a specialist logistics centre for students in the Sir Frank Whittle Studio School and to develop partnerships with local, national and international businesses
- The Catering Manager at Lutterworth College, was awarded Catering Staff of the Year in the 2014 Leicester Mercury School Awards
- Lutterworth College's Young Enterprise Team 'En Masse' won the Innovation Award at the Young Enterprise competition at the County Finals held at Loughborough University
- The Lutterworth College Dance Team took part in The British Red Cross Dance Competition, raising £1,443. The dancers then went on to perform at the 02 Arena in recognition of their hard work, dedication and fundraising efforts
- Lutterworth College staff and students raised over £4,600 for Sport Relief
- Lutterworth College's Duke of Edinburgh Award program has continued to grow with more students joining and one student recently collecting his gold award from St. James' Palace

GOING CONCERN

After making appropriate enquiries, the board of trustees has a reasonable expectation that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

FINANCIAL REVIEW

Financial performance for the year

Most of the Academy Trust's operating income is obtained from the Education Funding Agency (EFA)/Department of Education (DfE) in the form of recurrent grants, the use of which is restricted to particular purposes. The grants received from the EFA/DfE during the year ended 31 August 2014, totalling £9.05m, and the associated expenditure are shown as restricted general funds in the Statement of Financial Activities.

The Academy Trust also receives grants for fixed assets from the EFA/DfE. These totalled £0.61m in the period. In accordance with the Charities Statement of Recommended Practice, 'Accounting Activities by Charities' (SORP 2005), such grants are shown in the Statement of Financial Activities as restricted income in the fixed asset fund. The restricted fixed asset fund balance is reduced by annual depreciation charges over the expected useful life of the assets concerned.

The Academy Trust also generates additional income from catering, pupil trips and the hiring of school facilities to external parties. This income amounted to £0.80m in the year.

Total resources expended in the year were £9.64m, of which £7.61m (79%) was staff costs.

The net income for the year was £0.85m, which represents 8.1% of total income.

The approved budget for the year to 31 August 2015 shows a deficit of £0.18m which is to be funded from surplus funds balances from previous periods.

Donations

The Academy Trust made charitable donations of £300 during the year ended 31 August 2014 from the Academy Trust's resources. No political donations were made during the year ended 31 August 2014.

Financial position

At 31 August 2014 the Academy Trust held fund balances of £7.93m comprising £7.42m of restricted funds and £0.51m of unrestricted funds. These funds are represented in the main by fixed assets of £10.64m, cash balances of £1.21m, creditors of £0.53m and a pension scheme liability of £4.06m.

Fixed assets

At 31st August 2014 the net book value of tangible fixed assets was £10.64m and movements in tangible fixed assets are shown in note 14 to the financial statements. The assets were used exclusively for providing education and the associated support services to the pupils of the Academy Trust. The bulk of the value of the assets lies in the leasehold land and buildings. These were valued (on the basis of depreciated replacement cost) on transfer from the local authority by a RICS registered valuer employed by Leicestershire County Council.

TRUSTEES' REPORT
FOR THE YEAR ENDED 31ST AUGUST 2014 (continued)

FINANCIAL REVIEW (continued)

Reserves policy

The Trustees review the reserve levels of the Academy Trust, and reserves policy at the end of each accounting period with a view to the requirements of the forthcoming year. This review encompasses the nature of income and expenditure streams, the need to match income with commitments, the nature of reserves, and the need to demonstrate regularity and propriety in the use of funds. The trustees' principal aim is to maintain a positive reserves position and avoid any deficit. The Academy Trust's unrestricted funds were £0.51m at 31 August 2014, and restricted funds were £7.43m. The specific purposes of the restricted funds are detailed in note 18 to the financial statements.

The Trust has a restricted fund in deficit of £4.06m relating to the Local Government Pension Scheme. This does not mean that an immediate liability will crystallise. This deficit has arisen on transfer of the liability from the local authority on achieving Academy status. This deficit will likely result in a cash flow effect for the Trust in the form of increased employer pension contributions over future years.

Investment policy

The Trust does not hold any investments other than cash. The Trust's policy is to review, on a continuing basis, the short-term operational cash requirements so that any surplus can be held in a higher interest deposit account to maximise interest receipts. Due to very low interest rates during the accounting year ended 31 August 2014, interest receivable has totalled only £2,567.

PRINCIPAL RISKS AND UNCERTAINTIES

Financial and Risk Management Objectives and Policies

The trustees regularly review the risks faced by the Academy Trust and maintain a "Risk register" to identify the critical areas of concern. They have put in place reasonable and appropriate management controls to address these risks. Risk management is detailed further below in the Governance Statement.

The trustees also have established financial management objectives and policies. The principal objective of financial management is to use the incoming resources available to the Academy in the most efficient and effective way to best achieve the Trust's objectives and aims.

Key financial management policies include:

- Setting detailed operational budgets at the beginning of each academic year and monitoring and managing of these budgets throughout the year.
- Close monitoring of the number and nature of students to ensure the correct level of funding is being received from the Education Funding Agency (EFA)/Department for Education (DfE)
- Identifying and exploiting opportunities to raise additional income for the Academy, such as hire of premises and facilities to external parties
- Seeking competitive prices from suppliers
- Managing staff costs closely to ensure all staff are paid correctly
- Ensuring robust systems and controls are in place for cash handling across the organisation

Risk management

The trustees have a responsibility to identify and review the major risks to which the Trust is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

The trustees have implemented an ongoing process to identify, evaluate and manage the significant risks to which the Trust is exposed, in particular those relating to teaching, provision of facilities, health and safety, other operational areas of the Trust, and in relation to the control of finance. In assessing the risks the trustees consider the nature of each risk along with the likelihood and impact of it arising. The trustees have developed systems, including operational procedures (e.g. vetting of new staff and visitors, supervision of school grounds) and internal financial controls in order to address and manage appropriately the risks identified. The efficacy of the process for risk management is reviewed regularly by the trustees. Where significant financial risk still remains they have ensured they have adequate insurance cover. The Trust has an effective system of internal financial controls and this is explained in more detail in the Governance Statement.

TRUSTEES' REPORT

FOR THE YEAR ENDED 31ST AUGUST 2014 (continued)

PRINCIPAL RISKS AND UNCERTAINTIES (continued)

Principal risks and uncertainties

The Governors consider the following items to be the principal risks facing the Academy Trust:

- Operational:
 - Competition risk to the two Academies arising from Age Range Changes in feeder schools from 11-14 to 11-16 and the Age Range Change in Lutterworth College from 14-19 to 11-19, all of which will be effective from the beginning of the 2015-16 academic year.
 - Changes to the local authority school transport policy which mean that many potential students who would previously have received free transport to Lutterworth College will no longer do so. This could have an impact on recruitment of new students.
- Financial:
 - Fluctuating student numbers year on year impact directly on funding received from the EFA. This, along with continuing change and instability in the formula for determining the funding at a county and national level, creates uncertainty around future income. This makes effective budgeting more challenging.
 - The defined benefit pension scheme liability stands at a deficit of £4.06m at 31 August 2014. Funding this deficit may lead to increased employer contributions from the Trust.
 - Other financial risks:
 - Credit risk – the Trust has healthy cash balances and is able to pay its suppliers in accordance with agreed credit terms. Therefore credit risk is considered to be low.
 - Cash flow and liquidity risks – Due to the front-loaded cash flow profile of funding received from the EFA, the cash flow and liquidity risks of the Trust are considered to be low. Cash is held on deposit where possible to maximise interest receipts. The main cash risk to the Trust lies in the high-level of cash handling across the organisation (e.g. catering) and robust systems and controls are in place to minimise the risk of loss or misappropriation of cash. From the beginning of the 2014 autumn term Lutterworth College has introduced a cashless catering system which has significantly reduced the levels of cash handling in the school. This cashless catering system will be introduced to the Sir Frank Whittle Studio School shortly.

PLANS FOR FUTURE PERIODS

Lutterworth College

Led by the new Head of College who joined in August 2014, the College will continue to nurture and support its existing and future students, providing a quality education with high expectations for all students both in and out of the classroom.

From the beginning of the 2015 autumn term Lutterworth College will be an 11-18 school and will be admitting students in both years 7 and 10. This presents both challenges and opportunities for the school going forward, with the potential for fluctuating student numbers, especially during the three-year transition period until the 2018-19 academic year when we will have students in all year groups in Key Stages 3 and 4. The College is actively seeking to recruit students, investing in relationships with local feeder schools and investing in publicity and promotion of the school. To accommodate the new Year 7 students in 2015 the College has started work on refurbishing a key building on the site which will be renamed 'The Laurels' and become a base for these younger students.

Sir Frank Whittle Studio School

The Sir Frank Whittle Studio School opened on 1 September 2014 with students in Key Stage 4 (Year 10 students) and Key Stage 5 (Year 12 students). The School is currently based in temporary buildings and the construction of the new permanent school building will commence shortly. The new building will house modern learning and IT facilities and students should be moving in to their new classrooms in summer 2015.

The directors of the Trust will continue to invest time and resources in supporting the school in its first year, effecting the transfer to the new permanent building, and growing the school in future years. As with Lutterworth College there is a continued focus on promoting the school and recruiting students

APPOINTMENT OF AUDITORS

The trustees have appointed Smith, Hodge & Baxter as statutory auditors of the Academy for the year ended 31 August 2014. The reappointment of the auditors will be approved by the trustees at the Annual General Meeting on 8 December 2014.

TRUSTEES' REPORT

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

Insofar as the trustees are aware:

- there is no relevant information of which the charitable company's auditor is unaware; and
- the trustees have taken all the steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

GOVERNANCE STATEMENT
FOR THE YEAR ENDED 31ST AUGUST 2014

Scope of Responsibility

As trustees, we acknowledge we have overall responsibility for ensuring that The Lutterworth Academies Trust has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The board of trustees has delegated the day-to-day responsibility to the Executive Principal, as Accounting Officer, for ensuring financial controls conform to the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between The Lutterworth Academies Trust and the Secretary of State for Education. They are also responsible for reporting to the board of trustees any material weaknesses or breakdowns in internal control.

Governance

The information on governance included here supplements that described in the Trustees' Report and in the Statement of Trustees' Responsibilities.

During the year The Lutterworth Academies Trust converted from a single academy trust to a multi-academy trust. A new master funding agreement dated 30 April 2014 was signed, along with a supplementary funding agreement for each of Lutterworth College and Sir Frank Whittle Studio School.

Prior to the conversion to a multi-academy trust the full Board of Trustees met four times. Attendance at these meetings of the board of trustees was as follows:

	Meetings attended	Out of a possible
Mrs Elisabeth Baines	4	4
Mrs Joanne Bates	0	4

The Business Management Committee was a sub Committee of the main board of trustees prior to converting to a multi-academy trust. Its purpose was to review and approve all matters relating to Finance, Human Resources, Risk Management and Health and safety. The Committee made recommendations to the board of trustees for approval as set out in the terms of reference.

The governance of the Trust was reorganised as part of the conversion to a multi-academy trust, with the establishment of a board of trustees (directors) and a local governing body for each of the two academies in the multi-academy trust. The board of trustees comprises 12 members as follows:

- 6 member appointments
- 2 foundation trustees
- 2 staff trustees
- 2 co-opted trustees (currently one vacancy)

The board of trustees appoints the chair of each of the two local governing bodies, and membership of these local governing bodies includes trustees, additional members who are not trustees, and the Head of School. The terms of reference for the local governing bodies focus on the teaching and learning in each of the two academies.

Currently there are no additional committees except for the Audit Committee, which reports to the board of trustees. The finance, human resources and business management functions in the Trust, which work across both of the academies, now report directly to the board of trustees.

The Audit Committee is a sub Committee of the main board of trustees. The terms of reference for the committee were updated during the year to reflect the conversion to a multi-academy trust. Its purpose is to review the Trust's management and statutory accounts, liaise with the external auditor and review their findings, monitor the efficacy of the system of internal control and ensure the Trust has adequate internal audit arrangements. The Committee makes recommendations to the board of trustees for approval as set out in the terms of reference, and reports to the trustees each year on the discharging of its duties.

Attendance during the year at meetings was as follows:

Governance review

Leading up to, and since the establishment of the multi-academy trust the role of the board of trustees and the terms of reference of each local governing body and the audit committee have evolved to meet the continually changing needs of the Trust. Operational and financial policies and procedures have been reviewed and updated accordingly along with the systems and controls. The risk management policies and procedures have also been reviewed and updated to meet the changing risk environment. These updates have been made to ensure the Trust has robust policies in procedures in place to address current and future challenges and to meet all statutory and legal requirements.

The purpose of the system of internal control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of Trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in The Lutterworth Academies Trust for the period 1st September 2013 to 31st August 2014 and up to the date of approval of the annual report and financial statements.

GOVERNANCE STATEMENT
FOR THE YEAR ENDED 31ST AUGUST 2014 (continued)

Capacity to handle risk

The board of trustees has reviewed the key risks to which the Trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The board of trustees is of the view that there is a formal on-going process for identifying, evaluating and managing the Trust's significant risks that have been in place for the period 1st September 2013 to 31st August 2014 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the board of trustees.

The risk and control framework

The Trust's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the board of trustees;
- regular reviews by the board of trustees of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing and investment guidelines;
- delegation of authority and segregation of duties;
- identification and management of risks.

The board of trustees has considered the need for a specific internal audit function and has decided not to appoint an internal auditor. However, the trustees have appointed Smith Hodge & Baxter, the external auditor, to perform additional checks. The auditor's role includes giving advice on financial matters and performing a range of checks on the Trust's financial systems. On a quarterly basis the auditor performs agreed-upon procedures and reports its findings on the operation of the systems of control to the next Audit Committee meeting. No significant issues have been identified in the quarterly reports and any other findings have been or are being addressed by the Audit Committee.

Review of effectiveness

As Accounting Officer the Executive Principal has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the external auditor;
- the financial management and governance self assessment process;
- the work of the senior leadership team within the two academies who have responsibility for the development and maintenance of the internal control framework.

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control by the Audit Committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

**STATEMENT ON REGULARITY, PROPRIETY AND COMPLIANCE
FOR THE YEAR ENDED 31ST AUGUST 2014**

As accounting officer of The Lutterworth Academies Trust I have considered my responsibility to notify the Board of Trustees and the Educational Funding Agency of material irregularity, impropriety and non-compliance with EFA terms and conditions of funding, under the funding agreement in place between the Multi-Academy Trust and the Secretary of State. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook.

I confirm that I and the Multi-Academy Trust board of trustees are able to identify any material irregularity or improper use of funds by the Trust, or any material non-compliance with the terms and conditions of funding under the Multi-Academy Trust's funding agreement and the Academies Financial Handbook.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the board of trustees and EFA

STATEMENT OF TRUSTEES' RESPONSIBILITIES
FOR THE YEAR ENDED 31 AUGUST 2014

The trustees, (who act as governors for charitable activities of The Lutterworth Academies Trust and are also the directors of the Charitable Company for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with the Annual Accounts Direction published by the Education Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under Company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls which conform to the requirements both of propriety and good financial management. They are also responsible for ensuring that grants received from EFA/DfE have been applied for the purposes intended.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

**INDEPENDENT AUDITORS REPORT TO THE MEMBERS
OF THE LUTTERWORTH ACADEMIES TRUST
FOR THE YEAR ENDED 31ST AUGUST 2014**

We have audited the financial statements of The Lutterworth Academies Trust for the year ended 31 August 2014 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and the related notes. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and the Accounts Direction 2013 to 2014 issued by the Education Funding Agency.

This report is made solely to the academy trust's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the academy trust's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the academy trust and its members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of governors and auditor

As explained more fully in the Statement of Trustees' Responsibilities set out on page 18, the trustees (who are also the directors of the academy trust for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the academy trust's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the governors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Trustees' Annual Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the academy trust's affairs as at 31 August 2014, and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006 and the Academies Accounts Direction 2013 to 2014 issued by the Education Funding Agency.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Trustees' Annual Report including the Strategic Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

THE LUTTERWORTH ACADEMIES TRUST (REGISTERED NUMBER: 08038063)

**INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY
TO THE LUTTERWORTH ACADEMIES TRUST AND THE EDUCATION FUNDING AGENCY
FOR THE YEAR ENDED 31ST AUGUST 2014**

In accordance with the terms of our engagement letter dated 5 September 2014 and further to the requirements of the Education Funding Agency (EFA) as included in the Academies: Accounts Direction 2013 to 2014, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by The Lutterworth Academies Trust during the period 1 September 2013 to 31 August 2014 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to The Lutterworth Academies Trust and EFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to The Lutterworth Academies Trust and EFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the The Lutterworth Academies Trust and EFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of The Lutterworth Academies Trust's accounting officer and the reporting accountant

The accounting officer is responsible, under the requirements of The Lutterworth Academies Trust funding agreement with the Secretary of State for Education dated 30 April 2014 and the Academies Financial Handbook extant from 1 September 2013 (updated October 2013), for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2013 to 2014. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the period from 1 September 2013 to 31 August 2014 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Academies Accounts Direction 2013 to 2014 issued by the EFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the academy trust's income and expenditure.

The work undertaken to draw to our conclusion includes:

- Assessment and testing of the internal audit work and reliance placed upon this work for the review of internal control procedures
- Further testing of the internal control procedures has been carried out in the following areas:
 - Sample test of delegated authority procedures
 - Enquiry and review of transactions with connected persons
 - Review of governance procedures including inspection of Trustee and relevant Board minutes
 - Sample test of procurement procedures
- Communication with the accounting officer

Conclusion

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the period 1st September 2013 to 31st August 2014 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31ST AUGUST 2014

1. STATEMENT OF ACCOUNTING POLICIES

Comparatives

The 2013 comparatives relate to the fifteen month trading period from 1st June 2012 to 31st August 2013.

Basis of Preparation

The financial statements have been prepared under the historical cost convention in accordance with applicable United Kingdom Accounting Standards, the Charity Commission 'Statement of Recommended Practice: Accounting and Reporting by Charities' ('SORP 2005'), the Academies Accounts Direction 2013 to 2014 issued by EFA and the Companies Act 2006. A summary of the principal accounting policies which have been applied consistently, except where noted, is set out below.

Going Concern

The Trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cause significant doubts on the ability of the company to continue as a going concern. The Trustees make this assessment in respect of a period of one year from the date of approval of the financial statements.

Conversion to an Academy Trust

The conversion of Lutterworth College from a state maintained school to an Academy Trust on 1st June 2012 involved the transfer of identifiable assets and liabilities and the operation of the school for £Nil consideration and has been accounted for under the acquisition accounting method.

The assets and liabilities transferred on conversion from Lutterworth College to an Academy Trust were valued at their fair value being a reasonable estimate of the current market value that the Trustees would expect to pay in an open market for an equivalent item. Their fair value is in accordance with the accounting policies set out for The Lutterworth Academies Trust. The amounts were recognised under the appropriate balance sheet categories, with a corresponding amount recognised in voluntary income as net income in the Statement of Financial Activities and analysed under unrestricted funds, restricted general funds and restricted fixed asset funds. Further details of the transaction are set out in note 3.

Incoming Resources

All incoming resources are recognised when the Academy Trust has entitlement to the funds, certainty of receipt and the amount can be measured with sufficient reliability.

- **Grants receivable**

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the balance sheet. Where income is received in advance of entitlement of receipt its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant (GAG) is recognised in full in the year for which it is receivable and any unspent amount is reflected as a balance in the restricted general fund. Capital grants are recognised when receivable and are not deferred over the life of the asset on which they are expended. Unspent amounts of capital grant are reflected in the balance in the restricted fixed asset fund.

- **Donations**

Donations are recognised on a receivable basis where there is certainty of receipt and the amount can be reliably measured.

- **Other income**

Other income, including the hire of facilities, is recognised in the period it is receivable and to the extent the goods have been provided or completion of the service.

- **Donated services and gifts in kind**

The value of donated services and gifts in kind provided to the Academy Trust are recognised at their open market value in the period in which they are receivable as incoming resources, where the benefit to the Academy Trust can be reliably measured. An equivalent amount is included as expenditure under the relevant heading in the Statement of Financial Activities, except where the gift in kind was a fixed asset in which case the amount is included in the appropriate fixed asset category and depreciated over the useful economic life in accordance with Academy Trust's policies.

NOTES TO THE FINANCIAL STATEMENTS (continued)
FOR THE YEAR ENDED 31ST AUGUST 2014

1. ACCOUNTING POLICIES (continued)

• **Donated services and gifts in kind (continued)**

Upon Lutterworth College's conversion the Academy Trust entered into a 125 year lease with Leicestershire County Council for the Academy Trust's land and buildings. The rental charge under this lease is a peppercorn. Substantially all the risks and rewards incidental to ownership are assumed by the Academy Trust and therefore the lease is treated as a finance lease and the asset capitalised and depreciated over the period of the lease, in accordance with the tangible fixed assets accounting policy below.

Resources Expended

All expenditure is recognised in the period in which a liability is incurred and has been classified under headings that aggregate all costs related to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

• **Costs of generating funds**

These are costs incurred in attracting voluntary income, and those incurred in trading activities that raise funds.

• **Charitable activities**

These are costs incurred on the Academy Trust's educational operations.

• **Governance costs**

These include the costs attributable to the Academy Trust's compliance with constitutional and statutory requirements, including audit, strategic management and Trustees' meetings and reimbursed expenses.

All resources expended are inclusive of irrecoverable VAT.

Tangible Fixed Assets

Assets costing £2,500 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance Sheet at cost and depreciated over their expected useful economic life. The related grants are credited to a restricted fixed asset fund in the Statement of Financial Activities and carried forward in the Balance Sheet. Depreciation on such assets is charged to the restricted fixed asset fund in the Statement of Financial Activities so as to reduce the fund over the useful economic life of the related asset on a basis consistent with the Academy Trust's depreciation policy.

Depreciation is provided on all tangible fixed assets other than long leasehold land (which is included at a value of £4.1 million), at rates calculated to write off the cost of each asset on a straight line basis over its expected useful life, as follows:

Long leasehold buildings	over the period of the 125 year lease
Leasehold improvements	10% of cost
Furniture and equipment	25% of cost
Computer equipment	33% of cost
Motor vehicles	25% of cost

Assets in the course of construction are included at cost. Depreciation on these assets is not charged until they are brought into use.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities.

Leased Assets

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the lease term.

Stock

Stocks are valued at the lower of cost or net realisable value.

1. ACCOUNTING POLICIES (continued)

Taxation

The Academy Trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the Academy Trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Pension Benefits

Retirement benefits to employees of the Academy Trust are provided by the Teachers' Pension Scheme ('TPS') and the Local Government Pension Scheme ('LGPS'). These are defined benefit schemes, and the assets are held separately from those of the Academy Trust.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the Academy Trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quinquennial valuations using a prospective benefit method. As stated in Note 25, the TPS is a multi employer scheme and the Academy Trust is unable to identify its share of the underlying assets and liabilities of the scheme on a consistent and reasonable basis. The TPS is therefore treated as a defined contribution scheme and the contributions recognised as they are paid each year.

The LGPS is a funded scheme and the assets are held separately from those of the Academy Trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to operating surplus are the current service costs and gains and losses on settlements and curtailments. They are included as part of staff costs. Past service costs are recognised immediately in the Statement of Financial Activities if the benefits have vested. If the benefits have not vested immediately, the costs are recognised over the period until vesting occurs. The expected return on assets and the interest cost are shown as a net finance amount of other finance costs or credits adjacent to interest. Actuarial gains and losses are recognised immediately in other gains and losses.

Fund Accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the Academy Trust at the discretion of the Trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Education Funding Agency/Department for Education.

Restricted pension reserve funds represent the Academy Trust's share of the assets and liabilities of the Local Government Pension Scheme.

3. CONVERSION TO AN ACADEMY TRUST/TRANSFER OF ACADEMIES INTO THE ACADEMY TRUST

On 1st June 2012 Lutterworth College converted to Academy Trust status under the Academies Act 2010 and all the operations and assets and liabilities were transferred to The Lutterworth Academies Trust from the Leicestershire County Council local authority for £Nil consideration. The transfer was accounted for using the acquisitions method. The assets and liabilities transferred were valued at their fair value and recognised in the balance sheet under the appropriate headings with a corresponding net amount recognised as net income in the Statement of Financial Activities as voluntary income.

On 28th April 2014 the Sir Frank Whittle Studio School was created and joined The Lutterworth Academies Trust, now a multi-academy trust. There were no assets and liabilities to transfer as this is a newly created Studio School. This school is due to open on 1 September 2014.

11. CENTRAL SERVICES

During the year ended 31st August 2014 the Academy Trust only operated one academy, Lutterworth College, for educational activities. The Sir Frank Whittle Studio School, although created in April 2014, did not commence its educational activities until 1st September 2014, from which point central services provided by the Academy Trust will be charged on an appropriate basis.

Any pre-opening services provided by the Academy Trust in respect of the Studio School have been met from start-up grants received by the Academy Trust for this purpose.

12. RELATED PARTY TRANSACTIONS - TRUSTEES' REMUNERATION AND EXPENSES

The Principal and staff trustees only receive remuneration in respect of services they provide undertaking the roles of Principal and staff, and not in respect of their services as trustees. Other trustees did not receive any payments, other than expenses, from the Academy Trust in respect of their role as trustees. The value of trustees' remuneration was as follows:

A Cooper (Executive Principal and trustee):	£120,000 - £125,000	(2013: £140,000 - £145,000)
L Harratt-Jones (Staff trustee, resigned 28/4/2014):	£25,000 - £30,000	(2013: £50,000 - £55,000)

E Warden (Staff trustee):	£30,000 - £35,000	(2013: £45,000 - £50,000)

During the year ended 31st August 2014 travel, subsistence and training expenses totalling £355 (2013: £213) were reimbursed to 2 trustees (2013: 2 trustees).

Other related party transactions involving the trustees are set out in note 29.

13. TRUSTEES' AND OFFICERS' INSURANCE

In accordance with normal commercial practice the Academy Trust has purchased insurance to protect trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on Academy Trust business. The insurance provides cover up to £3,000,000 aggregate liability in any one year and the cost for the year ended 31st August 2014 was £3,519 (2013: £5,025). The cost of this insurance is included in the total insurance cost.

The specific purposes for which the funds are to be applied are as follows:

Restricted General Funds represent unspent General Annual Grant (GAG), which must be used for the normal recurring costs of the Academy Trust together with other restricted general funds. Under the funding agreement with the Secretary of State, the Academy Trust was not subject to a limit on the amount of GAG that it should carry forward at 31 August 2014. During the year a transfer of £121,000 was made from restricted General Annual Grant funds to restricted fixed asset funds in respect of capital expenditure in the year funded from the General Annual Grant income.

Restricted Fixed Asset Funds represent resources which have been applied to specific capital purposes imposed by the funder together with cash resources still to be expended.

Restricted Pension Reserve Funds represent the Academy's share of the assets and liabilities of the Local Government Pension Scheme.

26. CONTINGENT LIABILITIES

During the period of the Funding Agreement, in the event of the sale or disposal by other means, of any asset for which a Government capital grant was received, the Academy Trust is required, either to re-invest the proceeds, or to repay to the Secretary of State for Education the same proportion of the proceeds of the sale or disposal as equates with the proportion of the original cost met by the Secretary of State.

Upon termination of the Funding Agreement, whether as a result of the Secretary of State or the Academy Trust serving notice, the Academy Trust shall repay to the Secretary of State sums determined by reference to:

- (a) the value at that time of the Academy Trust site and premises and other assets held for the purpose of the Academy Trust; and
- (b) the extent to which expenditure incurred in providing those assets was met by payments by the Secretary of State under the Funding Agreement.

27. MEMBERS' LIABILITY

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10 for the debts and liabilities contracted before they cease to be a member.

28. PENSION AND SIMILAR OBLIGATIONS

The Academy's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Hymans Robertson LLP. Both are defined-benefit schemes.

The pension costs are assessed in accordance with the advice of independent qualified actuaries. The latest actuarial valuation of the TPS related to the period ended 31 March 2004 and of the LGPS 31 March 2013.

Contributions amounting to £113,001 (2013: £109,316) were payable to the schemes at 31 August 2014 and are included within creditors.

Teachers' Pension Scheme

Introduction

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pensions Regulations (2010) and, from 1 April 2014, by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies and, from 1 January 2007, automatic for teachers in part-time employment following appointment or a change of contract, although they are able to opt out.

The TPS is an unfunded scheme and members contribute on a 'pay as you go' basis - these contribution along with those made by employers are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

The Teachers' Pensions Regulations require an annual account to be kept of receipts and expenditure (including the cost of pensions' increases). From 1 April 2001, the account has been credited with a real rate of return, which is equivalent to assuming that the balance in the account is invested in notional investments that produce that real rate of return.

Valuation of the Teachers' Pension Scheme

The latest actuarial valuation of the TPS was carried out as at 31 March 2012 and in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014. The valuation report was published by the Department for Education on 9 June 2014. The key elements of the calculation and subsequent consultation are:

- Employer contribution rates set at 16.48% of pensionable pay (including 0.08% employer administration charge (currently 14.1%))
- Total scheme liabilities for the service to the effective date of £191,500 million, and notional assets of £176,600 million, giving a notional past service deficit of £14,900 million; and
- An employer cost cap of 10.9% of pensionable pay will be applied to future valuations.

The new employer contribution rate is applicable from 1 April 2015 and will be implemented for the TPS from September 2015.

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website.

Teachers' Pension Scheme Changes

Lord Hutton made recommendations in 2011 about how pensions can be made sustainable and affordable, whilst remaining fair to the workforce and the taxpayer. The Government accepted Lord Hutton's recommendations as the basis for consultation with trade unions and other representative bodies. In March 2012 the Department for Education published proposals for the design for a reformed TPS.

The key provisions of the reformed scheme include: a pension based on career average earnings; an accrual rate of 1/57th, and a Normal Pension Age equal to State Pension Age, but with options to enable members to retire earlier or later than their Normal Pension Age. Pension benefits built up before 1 April 2015 will be fully protected.

In addition, the proposed final agreement includes a Government commitment that those within 10 years of normal pension age on 1 April 2012 will see no change to the age at which they can retire, and no decrease in the amount of pension they receive when they retire. There will also be further transitional protection, tapered over a three and a half year period, for people who would fall up to three and a half years outside of the 10 year protection.

In his interim report of October 2010, Lord Hutton recommended that short-term savings were also required, and that the only realistic way of achieving these was to increase member contributions. At the Spending Review 2010 the Government announced an average increase of 3.2 percentage points on the contribution rates by 2014-15. The increases have been phased in since April 2012 on a 40:80:100% basis.

Teachers' Pension Scheme Changes (continued)**

The Department for Education has continued to work closely with trade unions and other representative bodies to develop the reformatted Teachers' Pension Scheme and regulations giving effect to it came into force on 1 April 2014. Communications are being rolled out and the reformatted scheme will commence on 1 April 2015.

Under the definitions set out in Financial Reporting Standard (FRS17) Retirement Benefits, the TPS is a multi-employer pension scheme. The academy is unable to identify its share of the underlying assets and liabilities of the scheme. Accordingly, the academy has taken advantage of the exemption in FRS17 and has accounted for its contributions to the scheme as if it were a defined contribution scheme. The academy has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined-benefit scheme, with the assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2014 was £394,000 (2013: £496,000) of which employer's contributions totalled £303,000 (2013: £377,000) and employees' contributions totalled £91,000 (2013: £119,000). The agreed contribution rates for future years are 20.3% for employers and between 5.5% and 12.5% for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

Principal Actuarial Assumptions

	At 31 August 2014	At 31 August 2013
Rate of increase in salaries	4.4%	5.1%
Rate of increase for pensions in payment/inflation	2.6%	2.8%
Discount rate for scheme liabilities	3.7%	4.6%
Inflation assumption (CPI)	2.6%	2.9%
Commutation of pensions to lump sums - Pre April 2008 service	50%	50%
- Post April 2008 service	75%	75%

Sensitivity Analysis

The sensitivities regarding the principal assumptions used to measure the scheme liabilities are set out below:

Change in assumptions at year ended 31 August 2014:	Approximate % increase to Employer Liability	Approximate monetary amount £000s
0.5% decrease in Real Discount Rate	13%	832
1 year increase in member life expectancy	3%	196
0.5% increase in the Salary Increase Rate	5%	342
0.5 % increase in the Pension Increase Rate	7%	468

The current mortality assumptions include sufficient allowance for future improvements in mortality rates. The assumed life expectations on retirement age 65 are:

	At 31 August 2014	At 31 August 2013
<i>Retiring today</i>		
Males	22.2	20.9
Females	24.3	23.3
<i>Retiring in 20 years</i>		
Males	24.2	23.3
Females	26.6	25.6

The academy's share of the assets and liabilities in the scheme and the expected rates of return were:

	Expected return at 31 August 2014	Fair value at 31 August 2014	Expected return at 31 August 2013	Fair value at 31 August 2013
		£000s		£000s
Equities	6.3%	1,734	6.6%	1,376
Bonds	3.3%	421	3.8%	559
Property	4.5%	248	4.7%	194
Cash	3.3%	74	3.6%	22
Total market value of assets		2,477		2,151
Present value of scheme liabilities				
- Funded		(6,541)		(5,014)
(Deficit) in the scheme		(4,064)		(2,863)

The expected returns on assets other than bonds have been calculated using 5000 simulations of the Hymans Robertson Asset Model, calibrated using market data as at a recent date. The expected return on bonds has been derived from the yields applicable at the accounting date on suitable bond indices.

The actual return on scheme assets was £281,000 (2013: £278,000).

29. RELATED PARTY DISCLOSURES

Owing to the nature of the Academy Trust's operations and the composition of the board of trustees being drawn from local public and private sector organisations, transactions may take place with organisations in which the trust has an interest. All transactions involving such organisations are conducted at arm's length and in accordance with the Academy Trust's financial regulations and normal procurement procedures.

No related party transactions took place in the period of account.

30. ULTIMATE CONTROLLING PARTY

The Academy Trust is under the control of the trustees.
